Ms Caroline Nakiganda  
102 Longbridge Road  
Barking IG11 8SF

Dear Caroline

**R E C E I P T**

Thank you for your deposit payment of £60 made by Bank transfer, in respect of fees for the **N E S T** Postnatal Care/ non-medical Maternity Nursing course at level 3, taking place on Saturday 25 & Sunday 26 January; please use this letter as receipt of payment for your own accounting purposes. Your final payment is due prior to attending the course unless you have opted to pay by instalments.

Attached is further reading and research materials for you to read through.

Venue details will be issued closer to the time (dependent upon the Imperial College calendar); the course commences at 9.30 on Saturday and 10.00 on Sunday, with refreshments available throughout each day. We are flexible as to when we conclude which is dependent upon the demands of the group, but it's usually around 5/5.30pm on Saturday and by 4pm on Sunday. A Saturday evening research task will be issued for discussion with the group on Sunday, which will be taken into account when concluding the day.

We look forward to meeting you and welcome your own thoughts and ideas but if you need anything further for now, please don't hesitate to contact us.

Kind regards

Laura Rownes  
Course Facilitator

Encl.
